SIGNED BY THE CEO

The predecessor was the British Financial Services Authority (FSA). The FCA was established on April 1, 2013 and is headquartered in London, England. It manages more than 56,000 financial companies and markets in the UK. It also supervises the UK Financial Services Compensation Scheme (FSCS) and the UK Financial Ombudsman Service (FOS). In 2020 the FCA worked in collaboration with consumer groups trade associations professional bodies, domestic regulators, EU legislators and a wide range of related organizations. Therefore, it plays a key role in international standard setting organizations.
